

HOFFMAN IMPERIAL SERIES

Drapery & Flat Work
Presses
SO · Single-Operator

The Imperial Series is designed for professional finishing of drapes, sheets, linens, and other flat work. With large pressing surfaces, durable construction, and efficient operator controls, these presses deliver consistent performance for commercial laundries, dry cleaners, hotels, and institutional facilities.

SINGLE-OPERATOR EFFICIENCY

Designed for efficient operation by one operator, ideal for facilities where a dual-operator press is not required.

EASY MATERIAL HANDLING

Keeps the work in clear view for convenient positioning and repositioning throughout the pressing process.

VERSATILE FLAT WORK FINISHING

Generous pressing surfaces accommodate drapes, sheets, linens, and a variety of other flat work.

CONSISTENT FINISHING

Controlled steam and vacuum help deliver smooth, consistent results across a variety of flat work.
